

Law School is an investment.

But you can't know your **ROI** until you know **your** COA.

➤ Although a school's reported Cost of Attendance is a good place to start, everyone's financial situation is different. To better help you estimate *your* cost of attendance, use **AccessLex Institute's Student Loan Calculator**:

- **Prepopulates Cost of Attendance**
- **Itemizes cost of living components** (so you can adjust to fit your lifestyle)
- **Factors in:**
 - Any outstanding undergraduate loans
 - Scholarships and grants
 - Income and savings goals
 - Other personal expenses
- **Demonstrates the positive effect that prepayment can have on your loan repayment**

The Calculator also includes repayment options to help you choose the plan that best fits your budget and repayment goals. It's **free, easy** and **anonymous**. No login needed.

Calculate your future.

➤ Understanding the financial realities of your law degree is the first step to making wise decisions about your student loans. Our student loan calculator is a free and easy way to do just that!

Thinking about law school?

Deciding to obtain a law degree is an important decision. Equally important is the choice of which law school to attend. AccessLex Institute's Student Loan Calculator can help you estimate the total cost of a degree at various schools and look ahead at the impact those costs will have on your finances now and after graduation.

Already in law school?

Our Calculator can help you get a handle on what you've already borrowed and how much more you may need to borrow to complete your degree. Seeing the impact your student loans will have on your future earnings can help you make wise decisions while still in school.

About to graduate?

When planning for a successful transition from law student to professional, you need to consider your goals; your current financial situation and job status; and the repayment plans available to you. Our Calculator will guide you through these factors, allowing you to feel confident about repaying your student loans and secure about your financial future.
