"I feel so much better now – I hadn't realized that I don't need to borrow the full amount of loans I was offered in my law school financial aid package. Thanks for helping!"

**– Graduating senior, City College of New York**

"This is an amazing organization. I hope more people learn about it in order to tackle their student loans. I appreciate the availability of the representatives and being able to talk to a human being! Thanks so much."

**– Boston University Medical Student**

"This was my first counseling call with AccessConnex and I could not be more pleased or grateful. My counselor provided me with detailed and clear answers and information, all of which was tailored to my specific circumstances. She was a pleasure to speak to and I would definitely recommend this service to others. Thank you!"

**– Harvard University Law Student**

"It was really helpful to talk to my AccessConnex counselor about the financial aid awards from the schools I'm considering. I appreciate knowing I could use the AccessLex Student Loan Calculator to estimate different loan repayment terms. It's a fairly staggering amount of money but it's good to have an accurate idea of what I'm up against. I found the 'Project Your Future' function immensely helpful! The salary number I'll need to pay off my loans in 10 years and have reasonable living expenses left over is attainable in bigger markets if I do well at school. Now I have a clear picture of what I need to do to reach my goal."
